GEORGE PLIMPTON: I've been making more comparisons...

between Mattel Electronics Intellivision and Atari. (SFX)

Different games...but the same results.

Look at Atari basketball...(SFX)

and Intellivision.

I think Intellivision plays much more like real basketball.

Here's Atari Soccer.(SFX)

And Intellivision.

Again I find Intellivision more sophisticated and life-like.(SFX)

If you try them both

I think you'll find the clear winner is Intellivision.

From Mattel Electronics.
